INSTAGRAM INSPIRATION

South African garden designer Debby Tenquist, @debbytenquist, has won our hearts with beautiful images of flowers, gardens and the wider natural world.

How would you describe your Instagram account?

An informative and evocative narrative exploring our relationship with nature.

Who would you recommend we follow?

Interior, product and jewellery designer Amanda Lack Clark @amandaseend for Chinese and Japanese artefacts, chinoiserie and travels to the Far East.
Follow H&G @homesandgardensuk.
